Cabin luggage

What are the rules?

You can bring 1 piece of hand luggage per person:

Hand luggage

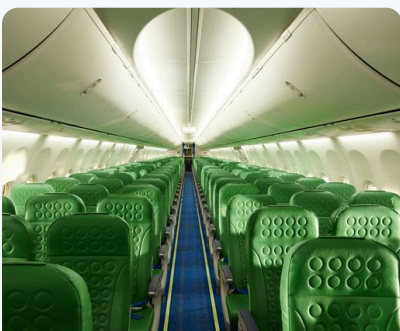

(40 x 30 x 20 cm)

For example, a small backpack or handbag. Place it under the seat in front of you.

If you want to take a small suitcase or larger travel bag in the cabin, for a fee you can add a cabin bag (55 x 35 x 25 cm) to your booking in [My Transavia](#). You place this in the overhead compartments. You also get Priority Boarding, so you can board with the first group. Travelling with more luggage? Then simply add [hold luggage](#) to your booking.

Always check the permitted luggage allowance before departure to avoid extra costs at the airport. If your luggage is too big or too heavy, or you have too many pieces of luggage, we will transport your luggage in the hold, and you will pay a luggage Gate fee from €65. Read more about [cabin luggage](#).
